Good Beautiful Fall Day Christmas Journey-ers!

I have a list of updates for you today as Christmas Journey preparation is kicking into high gear:

1. CJ Workday this Saturday
2. CJ Informational Meeting (for everyone)
3. Scare Away Hunger
4. Message from Buddy Mabie
5. CJ Casting status

CJ Workday this Saturday, October 30th – 8:30-2:30 – Lunch provided

Make plans to be here for this extensive day of CJ preparation. The list of projects for the day keeps growing and includes: completing the tomb and Celebration scene, beginning construction of the Trial scene, putting up masonite in the Temptation scene, putting up scaffolding for the entry, 2nd guard tower and Angel Appears to Mary scene, building the tent and moving props into it, finish kiosk assembly, filling tiki torches, attaching log slabs to Manger scene and LOTS of touch up paint on various scenes. As you can see, THIS WILL TAKE A LARGE NUMBER OF VOLUNTEERS. We need as many helpers as we can to be there on Saturday morning.

CJ Informational Meeting (for EVERYONE involved in the Journey) – Sunday, November 7th 12:00-12:30pm

This meeting will be brief, but packed full of information for ALL involved in the Journey. Make plans to stay after church for this important meeting.

Scare Away Hunger

Bring some canned goods with you) for to the workday on Saturday, October 30th (because I KNOW you're coming! the Scare Away Hunger canned food drive.

Message from Buddy Mabie

Buddy is our resident builder extraordinaire and is neck deep in tools this time of year with the Journey and Deck the Halls preparation. He is working during the week on various tasks and would love your help if you are available. I'm going to follow this message with a recent e-mail from him so you'll know what is going on this week and next week with additional building and preparation.

CJ Casting Status

The casting committee has been meeting this week to place the first 300 cast members in scenes. Work is still underway and I hope to have an update online very soon. I will send an e-mail out when I get the first update on the web for you.
