CJ Volunteers~

Following is an e-mail from Buddy Mabie regarding construction prep for Journey this week.

I will also be e-mailing again regarding the following items:

- *t-shirts
- *sewing
- *dress rehearsal
- *scene assignments/captains
- *Saturday work day

"Talk" to you again soon!

Subject: During the Week Activities

Team,

Well Christmas Journey is upon us and praise God for the beautiful weather this week. We will be ramping up this week and working everyday next week until the 1st car rolls thru on Thursday the 9th. I will be at church everyday this week and can help/guide anyone that has time to show up and based on the attendance we will determine the complexity of the tasks to tackle. One focus of these during the week workdays is to free up the boom lift for Saturday. So let me know if you are available to come up this week and I will lay out the things we can try to do before it gets cold again.

This Sat from 8:30 until 2:30 is an all hands on deck event to assemble the rest of the scenes. Please try and make it out and enjoy the warm temps and Uncle Julio's catered lunch. Bring staple guns, cordless drills, battery chargers, socket and wrench sets and work gloves. We will be moving mulch and sand, so if you have flat bottom shovels and wheelbarrows, those could be used as well.

The week of The Journey (next week) we will be there from dawn to dusk with lunch provided to those who can help, putting up lighting, fencing, touching up paint and making final preparations, so no need to reply for next week or Sat, just show up!

Again, if you are available this week, please let me know ahead of time and I will line some tasks out based on response. Here is a quick schedule reminder for times.

This week - 10:00 until 3:00 or 4:00
Saturday - 8:30 until 2:30 - Lunch Provided
Next week - 8:30 until dark - Lunch Provided

Thanks to those who have been able to help so far we are about ½ way there - need a big push to get us the rest of the way and it won't happen without your help. Don't hesitate to call or email me if you have questions.
